Re: Trustees of the UNITE HERE National Health Fund, et al.  
- v. - Bag Specialist, Inc. - 07 Civ. 6188 (RMB)

Dear Judge Dolinger:

We represent the plaintiffs in the above-referenced action to collect delinquent contributions pursuant to Section 515 of ERISA. We are writing to request an extension of time to submit documents in support of plaintiffs' application for damages. We make this request for the following reasons.

On December 13, 2007 the Court issued its Order, which directed that plaintiffs submit documents in support of their application for damages on or before January 11, 2008, with defendant's response on January 25, 2008, and plaintiffs' reply on February 1, 2008. Subsequent to the issuance of the Court's December 13 order, the auditor responsible for the calculations of the contributions due from defendant became ill and is now absent on disability leave. Plaintiffs' counsel assigned another auditor to the matter, who will require additional time to complete the calculations underlying the request for damages.

Given the foregoing, plaintiffs respectfully request the Court's permission for an extension of time to February 1, 2008 for submission of documents in support of plaintiffs' application for damages, with defendant's opposition papers, if any, due on February 15, 2008, and plaintiffs' reply due on February 22, 2008.

ENDORSED  
ORDER
